

Consultores de Seguros

EXPATRIATES

Accidents are hard to anticipate. Get yourself fully covered from whatever unforeseen event may come your way.

Studying, working or living abroad can be quite overwhelming.

From your family's International Health Insurance to *All Risks* Household policies, we have a wide range of products that will fit your everyday needs. Our Multilingual Advisers will assist you and provide a personal consulting and Risk Management service that will make sure you'll have the same protection as you did back home.

At Optirisk we work around the clock to provide the best solutions for each need with no language barriers.

// Health Insurance

Living abroad can raise additional concerns with healthcare issues so it's almost mandatory you get the best medical insurance. Our range of health plans are designed for those seeking excellent level of service with access to a wide range of health professionals and facilities, including worldwide coverage.

// Household Insurance

From standard named-perils insurance to an *all risks* coverage we offer you a widely spread range of coverages to your home, fine art and jewelry.

// Motor Insurance

From legally-complying policies to fully comprehensive coverage against various perils, we provide you with tailored made solutions.

// Travel Insurance

We know that things don't always go to plan. Wherever you are traveling, alone or in family, holiday or business, we have the comprehensive cover solutions to make the best of your journey.

Wordings are available in English, French and other languages.

Feel free to contact us for any queries regarding other insurance needs.
